Assessor Feedback

Well done on remembering to pull sleeves up.
Make sure scarf in tucked away. Try to have ironed tunic
Touched glasses and scarf multiples times with dirty gloves during assessment
Put gloves on to place out wipes, when gloves are on we think they are dirty. Do not need to have gloves on to place wipes
If you drop an instrument on the ground even if an end of appt do not pick back up and put onto tray
Remove gloves once place instruments in dirty trolley and hand rub, do not walk back into bay with dirty gloves on and then take off
Wipe dropped on floor, picked up off floor and grabbed new wipe and keep going
Was really unsure of how triplex went on, put back to front then. Did not put bibs out on pull puts
