Reflect on the student's performance across the month - what are some strengths and areas you have identified for improvement.

Staff	Comments
Chen Chen	Confident clinically and generally does well with diagnosing, tx planning and sequencing treatment. Likes to ask for different opinions, and interested in learning new techniques. Fairly good at defending treatment decisions.
Jaafar Abduo	Esha is progressing well. Had some challenging removable cases
Jaafar Abduo	Mark is progressing well within his final year.
John Pearson	Communication with patients is for treatment purposes more than idle chatter. Reserved personality. Very pleasant demeanor.

Has a clinical incident occurred during this month while you were supervising this student?
