This was harder than I thought

Assessor Feedback

Has sunny move on from first two tasks to aid time management.
Has many questions at each step - all demos are happy to help but do make sure to try and troubleshoot yourself instead of asking the demonstrator right away. Also, dont rush the tasks!

I could have been a bit better while spreading the sealant

Assessor Feedback

Light not on working area. Very rough with patient, essentially poking the instrument into the fissure system. Leading to very rough fissure sealant, corrected after it was pointed out

Clinical Incident

Wore mask and safety glasses then collected clean gloves without ABHR, the proceeded to place clean gloves on workbench
