Student Feedback

Had trouble isolating individual teeth in task 5
Found that I always broke the dam while flossing so will need to practice flossing before the next class
Some difficulty applying the frame

Assessor Feedback

Posture observed today was good. Good job on starting to develop awareness of your gloves hands, eg. clasping hands together when idle.

Enamel margins and access to wide buccolingually, need to do more circumferential movement with the fast-hand piece. Check for unsupported enamel and any hidden caries around DEJ. Some green debris left over from the greenies upon finishing. Need more fissure sealant when finishing and polishing (removed too much when doing so)

Assessor Feedback

Insufficient sealant 36
