- No basis for evaluation

11.4 Recognize when specialist oral surgical care is indicated and make appropriate referral

Competent to work semi-independently at Royal Children's Hospital

Final Grades

Describe the strongest aspects of the student’s performance, including examples of noteworthy incidents

Date	Staff	Comments
2025-11-06	Nicky Kilpatrick	Andrew is very reflective in his practice. Actively keen to learn. Great communicator with his peers/team and patients
2025-11-07	Wendy Cheney	Dr. Park has evolved into a highly competent specialist paediatric dentist and has a very bright future ahead! Of particular note is the wonderful rapport he quickly develops with his patients and their families. Dr. Park seamlessly assumed a leadership role during this last year - a go-to person for his underclass mates - thank you from us all! It's been a privilege and a pleasure to be witness to Dr. Park's postgraduate studies. Many well-deserved congratulations!!
2025-11-10	Daniel Andreasen-Cocker	See daily comments
2025-11-10	Mihiri Silva	Andrew is a thoughtful, caring clinician who has a natural rapport with his patients, and his colleagues. I believe Andrew has put in a lot into his clinical work, and has in turn, grown in competence. He is able to manage complex cases with confidence and ease.

Describe any aspect of the student's performance where he/she needs to spend more time and effort. Include any examples of critical incidents

Date	Staff	Comments
2025-11-06	Nicky Kilpatrick	.
2025-11-10	Mihiri Silva	There are certainly no critical incidents at all.
